Introducing Our Judges

Purebred Ring

Dr Sabina Holle – New Zealand

Dr Sabina Holle (VS, PhD, GDVACU (IVAS)) is a veterinarian with a special interest in integrated therapies, a co-owner of a successful boutique horse stud in the Waikato breeding Pure Spanish Horses(P.R.E.), internationally breed judge accredited by the Spanish College of Judges and a dressage rider & trainer.

She holds a veterinary degree from Germany, a PhD in Veterinary Science from Massey University, NZ and a Graduate Diploma in Veterinary Acupuncture, (including other Tradition Chinese Veterinary Medicine modalities) from CIVT, Australia.

She also completed veterinary acupuncture and Chinese food therapy courses and workshops led by the late Dr Kerry Ridgeway and through the the Chi Institute in Florida, USA.

Sabina received her formative riding training in Germany, following the classical system of well established continental riding masters and over the last 25 years studied and ridden classical dressage following the principles of dressage Master Nuno Oliveira. These principles include the structured training of young horses, re-education of mature horses as well as in hand training and lunging for riding preparation and rehabilitation of tension and/or injury.

Together with her husband Philip, she started a small horse stud in the mid 90s, breeding Spanish Horses. This stud has continued to expand with the importation of quality breeding animals from Spain and has been selling horses both nationally and internationally (Australia, USA and Europe) for over 25 years.
