

FOAL AT FOOT AND WEANLING LED PUREBRED AND PARTBRED

The size of the area you use for the workout is entirely your choice.

Step 1. Walk

1. From A walk to B
2. At B turn towards the camera and walk back to A.

Judge would like to see a nice free swinging walk with an overtrack.

Step 2. Trot

1. From A trot to B
2. At B turn towards the camera and trot back to A.

Step 4. Present Horse

1. At A turn horse way from camera and walk X and halt.
2. A X Turn horse around so nearside facing the camera and present to judge.
2. Video nearside, rear, offside and front of horse (with plenty of time for judge to view each aspect) before camera person returns to the horses nearside.

End of work out.
